**RENAISSANCE UNLIMITED FISCAL COMPLIANCE ASSESSMENT**

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) Contract Fiscal Compliance conducted a review of Renaissance Unlimited, a Transitional Housing Placement Program (the THPP) in October 2014.

**SUMMARY**

CAD conducted a fiscal compliance assessment, which included an on-site review of the THPP's financial records such as financial statements, bank statements, check register and personnel files to determine the THPP's compliance with the terms, conditions and requirements of the program contracts, the Auditor-Controller Contract Accounting and Administration Handbook (A-C Handbook) and other applicable federal, State, and County regulations and guidelines.

The THPP was in full compliance with 1 of 5 areas of the fiscal compliance assessment: Payroll and Personnel.

CAD noted deficiencies in the following areas: Financial Overview, related to operating loss, negative net assets, non-timely completion and submittal of the Semi-Annual Expenditure Reports to DCFS and unpaid payroll taxes; Loans, Advances and Investments, related to a loan due from the Executive Director; Board of Directors and Business Influence, related to not having certified Board meeting minutes; and Cash/Expenditures, related to absence of a second signature on the payroll checks payable to the authorized check signer, incomplete bank reconciliations and absence of fixed assets inventory list.

Attached are the details of our review.

### **REVIEW OF REPORT**

On February 11, 2015, Helga Kiaian, DCFS CAD Fiscal, held an exit conference with staff from the THPP: Chris Onyegbaduo, Executive Director and Adaeye Anyanwu, Office Manager. The THPP representatives agreed with the review findings and recommendations, were receptive to implementing systemic changes to improve compliance with regulatory standards and to address the noted deficiencies in a Fiscal Corrective Action Plan (FCAP).

The THPP provided the attached FCAP addressing the recommendations noted in this report.

A copy of this compliance report has been sent to the Auditor-Controller.

**RENAISSANCE UNLIMITED  
FISCAL COMPLIANCE ASSESSMENT REVIEW  
FISCAL YEAR 2014 - 2015**

**SCOPE OF REVIEW**

The fiscal compliance assessment included a review of Renaissance Unlimited, a Transitional Housing Placement Program's (the THPP's) financial records for the period of January 1, 2012 through September 30, 2014. CAD reviewed the financial statements, bank statements, check register and personnel files to determine the THPP's compliance with the terms, conditions and requirements of the program's contracts with the Department of Children and Family Services (DCFS), the Auditor-Controller Contract Accounting and Administration Handbook (A-C Handbook) and other applicable federal, State, and County regulations and guidelines.

The on-site fiscal compliance assessment review focused on five key areas of internal controls:

- Financial Overview,
- Loans, Advances and Investments,
- Board of Directors and Business Influence,
- Cash/Expenditures, and
- Payroll and Personnel.

The THPP was in full compliance with 1 of 5 areas of the fiscal compliance assessment: Payroll and Personnel.

**FISCAL COMPLIANCE**

CAD found the following areas out of compliance:

**Financial Overview**

- According to the Audited Financial Statements (AFS), as of December 31, 2012, the THPP incurred \$12,367 loss from operation and had a total net assets deficit of \$23,821.

The THPP representatives stated that the Board of Directors and the Executive Director will continue to monitor the fiscal strength of the THPP and make adjustments as necessary to ensure meeting all of its obligations.

- The Semi-Annual Expenditure Report for the period of January to June 2014, which was due to DCFS on September 1, 2014, was not submitted until October 1, 2014.

The THPP representatives stated that they will ensure that all future reports are submitted on a timely basis.

- A review of the Internal Revenue Service's account transcript indicated that the THPP has unpaid payroll taxes in the amount of \$31,915 (\$6,929 is for penalties and interest for the quarters ending December 31, 2013; March 31, 2014; June 30, 2014; and September 30, 2014).

The THPP representatives stated that they will ensure that all outstanding taxes are paid in installments by December 31, 2016.

**Recommendations:**

The THPP management shall ensure that:

1. A plan is developed and implemented to eliminate the loss from operations and net asset deficit and demonstrate that the THPP can operate without incurring a loss in the future.
2. Semi-Annual Expenditure Reports are submitted timely.
3. Payroll tax returns are filed and paid when due and existing delinquent taxes are resolved.

**Loans, Advances and Investments**

- A review of the Audited Financial Statement for the period as of December 31, 2012, the THPP has an outstanding "officer's advance" due from its Executive Director in the amount of \$8,643. The "officer's advance" refers to interest from the THPP's line of credits, which was considered unallowable by their independent auditor and recorded as "officer's advance."

The THPP representatives stated that they will repay Renaissance Unlimited the unallowable expenditure amounts that were converted to "officer's advance" by June 30, 2016.

**Recommendation:**

The THPP management shall ensure that:

4. The THPP will only expend contracts funds on allowable expenditures.

**Board of Directors, and Business Influence**

- The Board meeting minutes dated September 28, 2014; June 27, 2014; and March 28, 2014, were not certified by the Board Secretary.

The THPP representatives stated that the Chairman of the Board of Directors will ensure that the Board Secretary certifies all future Board meeting minutes.

**Recommendation:**

The THPP management shall ensure that:

5. Board meeting minutes are certified by the Board Secretary.

### **Cash/Expenditures**

- Payroll checks payable to the Executive Director were electronically signed by him only.

The THPP representatives stated that the Chairman of the Board of Directors will sign all payroll checks for the Executive Director.

- Bank reconciliations were not dated and signed by preparer and reviewer and outstanding items are not resolved timely. Three checks dated January 5, 2014; February 5, 2014; and March 5, 2014, totaling \$1,069, were outstanding as of September 30, 2014.

The THPP representatives stated that the Executive Director will ensure that monthly bank reconciliations are being prepared within 30 days of the bank statement date and reviewed by management for appropriateness and accuracy. The bank reconciliations will be signed and dated by both the preparer and the reviewer.

- The THPP did not maintain a fixed assets inventory list.

No fixed assets were purchased with funds from the contract that is the subject of the review. However, the THPP has developed fixed assets inventory including capital and non-capital asset equipment, purchased with funds from THPP's current contract. The THPP representatives stated that the Executive Director will ensure that all assets are properly labeled, tagged and documented.

### **Recommendations:**

The THPP management shall ensure that:

6. Checks payable to the authorized check signer are reviewed and approved by a higher-level employee, or Board member who shall also sign the check.
7. Bank reconciliations are prepared in a timely manner, signed by the preparer and reviewer, and outstanding items are resolved timely.
8. An inventory list of fixed assets is maintained that includes: item description, serial number, date of purchase, acquisition cost and source of funding.

### **MOST RECENT FISCAL REVIEW CONDUCTED BY THE AUDITOR-CONTROLLER**

The most recent fiscal review of Renaissance Unlimited was conducted by the Auditor-Controller (A-C) on April 8, 2009 for the period of January 1, 2006 through December 31, 2006, for a former Group Home contract. The A-C identified \$11,732 in unallowable costs and \$77,847 in unsupported/inadequately supported costs. The A-C also noted that as of December 31, 2005, Renaissance Unlimited had an operating loss of \$44,035, negative net assets of \$62,866 and a total debt of \$176,776, of which \$24,810 were loans from officers. Additionally, Renaissance Unlimited needed to develop a cost allocation plan and strengthen its internal controls over accounting, disbursements, payroll and personnel records and contracting procedures and maintain minutes of

its Board meetings. Renaissance Unlimited entered into a repayment agreement and continues to make payments.

**NEXT FISCAL COMPLIANCE ASSESSMENT**

The next Fiscal Compliance Assessment of the THPP will be conducted in County Fiscal Year 2015-2016.
